TAXDOME CLIENT PORTAL

We are moving over to a new secure client portal: TaxDome!
You have been sent an email invitation to TaxDome. The email subject line will read "*Karl J Strube CPA invites you to their client portal and mobile app*".
If you don't see this email, first check your "spam" or "updates" folder, then contact hello@strubecpa.com.

Please follow the following steps to get started on TaxDome:
Step 1: Activate Account

a)
b) Click "Activate Account" from your email and you will be brought to strubecpa.taxdome.com where you can choose a password (8 characters, a letter, and a number) and then click "Submit."
    a. Please **never** share your personal password with anyone
c) Once you see "Success! The password for your account was successfully set!" click "OK." You are now at the secure portal where you can **view & upload** documents, **see open items and tasks** and we can **message** each other back and forth securely.

Step 2: View To-Dos and Tasks
The first page you see is your dashboard with notifications about important updates, such as pending tasks, unseen messages, pending organizers, and unread documents. You'll also find the contact info for our firm here.

Step 3: Explore the Main Menu in the Left Sidebar
From the sidebar, you'll be able to easily go wherever you need to on your portal.
- *Documents* is where you upload, e-sign, and download documents.
- *Chats & Tasks* is where you can ask us any questions or respond to any of our requests.
- *Organizers* is where you fill out your questionnaire.

Visit the portal anytime by visiting strubecpa.taxdome.com
